Full job description

Core Talent is a specialist recruitment business, working together with candidates and clients on both temporary and permanent roles.

We are seeking multiple exceptional **Commercial/Construction Electricians**, driven to succeed and looking to take the next step in their career. Our client is a local, well known and respected electrical contracting company, delivering quality projects around north Brisbane with one of our valued reputable clients.

To be considered for this position, it is desired that you have:

- A strong background in the electrical trade with recent experience in the construction industry
- An Electrical Trade and License
- A Driver's Licence and White Card
- Tools of the Trade

Please include an updated resume in your application and ensure you have at least two contactable work references included.

If this is something you think you would be suited to please APPLY now or contact Dylan Smith in our Brisbane office on (07) 3120 0825
