### Full job description

#### The Opportunity

At G8 Education we understand that learning begins from birth; more development occurs in the human brain between birth to 5 years than at any other time in the life span. So, we continually strive to achieve best practice in early childhood education and care from birth to 5 years. This begins with recruiting, training and retaining dedicated educators and teachers and supporting them to continue their own professional learning, which leads to positive learning outcomes for children.

At Kindy Patch Reynella, we are passionate about fostering encouragement and kindness! We are a Centre which provides quality programs in line with the new Early Learning Years Framework as well as a nurturing and engaging environment for our children to grow and develop. Our teaching philosophy is inclusivity for all children. We currently have a wonderful opportunity for an experienced, fully registered **Early Childhood Teacher**.
