#### About Us

G'day Group comprises three leading Australian tourism brands in Discovery Parks, G'day Parks and loyalty program G'day Rewards. Employing more than 1800 people Australia-wide, G'day Group has a truly national footprint of over 300 holiday parks, including 80 fully owned and operated parks. The largest park network in the country, we're about authentic Australian holiday experiences and inviting all Aussies to say g'day to more of Australia.

Located 275km southwest of Cairns, Undara Experience is a gateway to the network of lava tubes caused by volcanic eruption 190,000 years ago. It's an internationally significant geological treasure and a wonderful attraction along the Savannah Way, which is the main touring route for travellers across northern Australia from Cairns to Broome.

The property currently offers a range of accommodation options with 60 cabins comprising 18 Homestead Rooms, 6 Pioneer Huts, 16 Railway Carriage rooms, 20 Swag Tents and 98 sites, including 58 powered and 40 unpowered sites, with room for further development. Facilities include large central open-air dining and bar, a pool, petrol pumps, communal campfires, shop, open-air stage, airfield, bush walking trails, conference room and bike tracks.

Undara Experience tours of the spectacular lava tube network and 'wildlife at sunset' tours are popular with travellers. It is also home and host to the Undara Outback Rock and Blues festival every year. A large focus on F&B, the Undara Experiences has a restaurant, bar and provides a bush breakfast daily.
